“BE ACTIVE” AT TRZ

Dear Member and New Member:

TRZ has many committees and activities that occur year round. Not all the activities in the temple require you to invest a lot of time. You can choose the activity that best fits your interests and time constraints.

We hope you will all think about this opportunity as a *mitzvah* and an outreach to the immediate needs of the Jewish community.

Below, we have listed the different committees on which you can participate. If you are a new member or a member that has never taken the opportunity to serve on a committee, please choose to be active on at least one of these committees.
